CATHEDRAL ENERGY SERVICES ANNOUNCES \$20 MILLION BOUGHT DEAL FINANCING

CALGARY, AB, CANADA – April 4, 2022 – Cathedral Energy Services Ltd. (TSX:CET) ("**Cathedral**" or the "**Company**") is pleased to announce it has entered into an agreement with Acumen Capital Finance Partners Limited ("**Acumen**" or the "**Lead Underwriter**") on behalf of itself and on behalf of a syndicate of investment dealers (collectively, the "**Underwriters**"), pursuant to which the Underwriters have agreed to purchase, on a "bought deal" basis, 28,575,000 units (the "**Units**") of the Company at a price of \$0.70 per Unit (the "**Issue Price**") for aggregate gross proceeds to the Company of \$20,002,500 (the "**Offering**").

Each Unit will be comprised of one common share in the capital of the Company (a "**Common Share**") and one-half of one Common Share purchase warrant (each whole Common Share purchase warrant, a "**Warrant**"). Each Warrant will be exercisable to acquire one additional Common Share (a "**Warrant Share**") for a period of 12 months following the closing of the Offering (the "**Closing**") at an exercise price of \$0.85 per Warrant Share, subject to adjustment in certain events.

The Company has granted the Underwriters an option (the "**Over-Allotment Option**") to purchase up to such number of additional Units of the Company as is equal to 15% of the Units sold pursuant to the Offering at the Issue Price to cover over-allotments, if any, and for market stabilization purposes. The Over-Allotment Option shall be exercisable in whole or in part, at any time, and from time to time, for a period of 30 days following the Closing for any number of Units at a price equal to the Issue Price.

Total aggregate gross proceeds raised under the Offering, including proceeds raised from the exercise of the Over-Allotment Option, will be approximately \$23,002,875 if the Over-Allotment Option is exercised in full.

The Company plans to use the net proceeds from the offering for general corporate and working capital purposes (including to repay bank indebtedness) and to help fund future acquisitions.

Closing of the Offering is expected to occur on or about April 25, 2022, and is subject to a number of customary conditions, including, without limitation, receipt of all regulatory and stock exchange approvals. The Company will apply to list the Common Shares (including the Warrant Shares) and the Warrants to be issued in the Offering on the Toronto Stock Exchange ("**TSX**"), subject to customary listing conditions.

The Units will be offered by way of a short form prospectus in all of the provinces and territories of Canada, other than Quebec, and may also be offered on a private placement basis: (i) in the United States pursuant to exemptions from the registration requirements of the United States Securities Act of 1933, as amended, (the "**U.S. Securities Act**") and (ii) in such other jurisdictions as agreed by the Company and the Underwriters.
