MANAGEMENT INFORMATION CIRCULAR DATED APRIL 3, 2020

PURPOSE OF SOLICITATION

This management information circular (the "Information Circular") is furnished in connection with the solicitation of proxies by management of Cathedral Energy Services Ltd. ("Cathedral" or the "Company") for use at the annual meeting of the holders (the "Shareholders") of common shares (the "Common Shares") of Cathedral to be held on **Tuesday, May 12, 2020 (the "Meeting")** at the time and place and for the purposes set forth in the **Notice of Meeting accompanying this Information Circular, and at any adjournment thereof**. Solicitations may be made by mail or email and be supplemented by telephone or other personal contact by the officers, employees or agents of Cathedral without special compensation. Pursuant to National Instrument 54-101 - *Communication with Beneficial Owners of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation materials to the beneficial owners of Common Shares of Cathedral. The cost of this solicitation will be borne by Cathedral.

Amid ongoing concerns about the Coronavirus (COVID-19) outbreak, Cathedral remains mindful of the well-being of our Shareholders and their families, our industry partners and other stakeholders as well as the communities in which we operate. Cathedral currently intends on holding an in-person shareholder meeting of registered Shareholders or duly appointed proxyholders only (with non-registered Shareholders (i.e. beneficial Shareholders) encouraged to vote by proxy instead). See "*Advice to Beneficial Holders of Common Shares*" below. However, as COVID-19 is a rapidly evolving situation, Cathedral will continue to monitor and review provincial and federal governmental guidance in order to assess and implement measures to reduce the risk of spreading the virus at the Meeting, which may include potentially adjourning, postponing or changing the format of the Meeting. Cathedral will provide updates to any arrangements in respect of the Meeting by way of news release. Shareholders are encouraged to monitor Cathedral's website at www.cathedralenergyservices.com or Cathedral's SEDAR profile at www.sedar.com, where copies of such news releases, if any, will be posted.

In light of current Alberta provincial government recommendations against gatherings of over 15 individuals, at this time, only registered Shareholders or their duly appointed proxy holders will be permitted to attend the Meeting and the Meeting will otherwise be conducted in accordance with the requirements of any applicable provincial or federal public health directives. In addition, in view of current and potential future guidance regarding social distancing and further restrictions on large gatherings, in order to ensure as many Common Shares as possible are represented at the Meeting, Shareholders are strongly encouraged to complete the enclosed form of proxy (the "**Form of Proxy**") and return it as soon as possible in the envelope provided for that purpose. Shareholders who do not hold their Common Shares in their own name are strongly encouraged to complete the voting instruction forms received from their intermediaries/brokers as soon as possible and to follow the instructions set out under "Advice to Beneficial Holders of Common Shares" herein.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the Form of Proxy are directors and/or officers of Cathedral. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and represent him/her at the Meeting other than those persons named in the enclosed**

Form of Proxy. Such right may be exercised by striking out the printed names and inserting such other person's name in the blank space provided in the Form of Proxy or by completing another proper form of proxy. A proxy will not be valid unless it is completed, dated, signed and delivered to Computershare Trust Company of Canada ("**Computershare**"), 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, not less than 48 hours (excluding Saturday, Sunday and statutory holidays) preceding the Meeting or adjournment of the Meeting.

A proxy may be revoked by instrument in writing executed by the Shareholder or his or her attorney authorized in writing and delivered to Computershare at the address indicated above or to the attention of the Corporate Secretary of Cathedral at the registered office of Cathedral, Suite 1600, 333 – 7th Avenue S.W., Calgary, Alberta, T2P 2Z1, no later than 4:00 p.m. (Mountain time) on the day prior to the Meeting or to the Chairperson or Scrutineer of the Meeting on the day of the Meeting or any adjournment thereof or in any other manner provided by law. Revocation can also be made by attending the Meeting or any adjournment thereof in person and specifically revoking such proxy or in any other manner permitted by law. Any revocation made or delivered at the Meeting or any adjournment thereof shall be valid only with respect to matters not yet dealt with at the time such revocation is received by the Chairperson or the Scrutineer of the Meeting.

VOTING OF PROXIES

Where instructions contained in the Form of Proxy returned by a Shareholder are certain, the Common Shares represented by the Form of Proxy will be voted on any poll, and where the Shareholder whose proxy has been properly given specifies a choice with respect to any matter to be acted upon, the Common Shares represented by the proxy will be voted on any poll in accordance with the specification so made. **In the absence of such specification, it is intended that such Common Shares will be voted in favour of the resolutions referred to in the Form of Proxy.**

The enclosed Form of Proxy confers discretionary authority upon the persons named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing this Information Circular, Cathedral is not aware of any such amendments, variations or other matters to come before the Meeting other than matters referred to in the Notice of Meeting.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many Shareholders of Cathedral, as a substantial number of Shareholders do not hold their Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (the "**Beneficial Shareholders**") should note that only Forms of Proxy deposited by Shareholders whose names appear on the records of Cathedral as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those Common Shares will not be registered in the Beneficial Shareholder's name on the records of Cathedral. Such Common Shares will more likely be registered under the name of the Beneficial Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the nominee of The Canadian Depository for Securities Limited, which acts as depository for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions (or 'withhold', if applicable)) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting Common Shares for the broker's

clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is identical to the Form of Proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares a Voting Instruction Form (a "**VIF**") and mails the VIF to the Beneficial Shareholders and asks Beneficial Shareholders to return the VIF to Broadridge. Often Beneficial Shareholders are provided with a toll-free telephone number or a website address through either of which their Common Shares can be voted. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a VIF from Broadridge cannot use that VIF to vote Common Shares directly at the Meeting. The VIF must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted at the Meeting. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Company are referred to as non-objecting beneficial owners or "**NOBOs**". Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners or "**OBOs**".

Pursuant to NI 54-101, the Company has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly to all Beneficial Shareholders.

The Company is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

The Company will not be paying for intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an OBO will not receive copies of the proxy-related materials and related documents unless the OBO's intermediary assumes the costs of delivery.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the VIF provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

On a show of hands, every Shareholder present in person or represented by proxy (and entitled to vote) has one (1) vote. On a poll or ballot, every Shareholder present in person or represented by proxy has one vote for each Common Share held. Only holders of record of Common Shares as of the close of business on March 30, 2020 (the "**Record Date**") are entitled to receive notice of and are entitled to vote such Common Shares at the Meeting, except to the extent that:

- (1) such person transfers his or her Common Shares after the Record Date; and
- (2) the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes his or her ownership to the shares and makes a demand to the registrar of Cathedral, not later than ten (10) days before the Meeting, that his or her name be included on the shareholders list for the Meeting.

The by-laws of Cathedral provide that at least one (1) person present and representing, in person or by proxy, not less than five percent (5%) of the issued shares entitled to vote constitutes a quorum for meetings of Shareholders of Cathedral. As at April 3, 2020, there were 49,468,117 Common Shares issued and outstanding.

To the knowledge of the directors and executive officers of Cathedral, the only persons or companies that beneficially own, directly or indirectly, or exercise control or direction over Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of Cathedral as of April 3, 2020 are Dan and Staci Wilks and Wilks Brothers, LLC which collectively own approximately 8,926,234 Common Shares representing 18.04% of the outstanding Common Shares of Cathedral.

STATEMENT OF EXECUTIVE COMPENSATION

The Compensation Committee of the board of directors (the "**Board**") is responsible for administering the compensation programs with respect to the following officers (collectively referred to as "**Officers**" of Cathedral):

P. Scott MacFarlane	President, Chief Executive Officer and Interim Chief Financial Officer
Randy H. Pustanyk	Executive Vice President and Corporate Secretary

Compensation Discussion and Analysis

The Compensation Committee is comprised of Messrs. Dale E. Tremblay (Chair), Ian Brown and Rod Maxwell. All of the members of the Compensation Committee are considered to be independent (see "*Corporate Governance – Composition of the Board*" and "*Corporate Governance – Compensation Committee*" herein).

Mr. Tremblay has held various senior executive positions of publicly traded and private companies, which has provided Mr. Tremblay with extensive experience in human resources and compensation matters. During a significant portion of Mr. Tremblay's tenure as senior executive he was responsible for human resources. In addition, Mr. Tremblay has experience being a director and compensation committee member. Mr. Brown has served on numerous public company boards in the past 20 years and has been involved in several compensation committee issues during that period. Furthermore, while a business executive, Mr. Brown was responsible for numerous human resource matters when employed at Raymond James and the Alberta Stock Exchange. Mr. Maxwell is Managing Director and co-founder of StoneBridge Merchant Capital

Corp., a business focused on acquiring private enterprises since 1996. Mr. Maxwell has experience in human resources and compensation matters as a business owner and/or director and/or compensation committee member of various private and public companies.

Responsibilities of the Compensation Committee

The Compensation Committee, amongst other things, establishes policies regarding the remuneration of the Officers, as well as for continuously supervising the implementation of such policies. In fulfilling this mandate, the Compensation Committee:

- Works with management to set the total compensation package for new executive officers whenever the hiring of such officers requires the approval of the Board.
- Annually reviews the base salaries and total compensation packages of the Officers to ensure that such packages are competitive within an oil and gas services industry comparison group and properly motivate performance and promote the retention of Cathedral's management.
- Annually reviews the yearly performance of the President and Chief Executive Officer ("CEO") of Cathedral and the other Officers.
- Continuously monitors the number of stock options held by the CEO and other Officers to ensure there is a balance of stock options issued in the context of the overall compensation plan.

Executive Compensation Analysis

The objective of Cathedral's executive compensation policy is to provide total compensation that is competitive and to balance the fixed and variable components of executive compensation in order to attract the most competent people, so that they remain in their positions and are motivated to act in the best interests of Cathedral. An emphasis is placed on providing a competitive and fair fixed salary, with additional, "at-risk" short and long-term incentives reflective of Cathedral's performance.

The executive total compensation package is arrived at by considering a number of factors including a comparison with an oil and gas services industry comparison group. The Compensation Committee reviews the compensation program of the Officers on a periodic basis, and the last such review was conducted by the Compensation Committee in March 2020. That review took into consideration declining industry fundamentals in the U.S. and Canada; a decline in revenues and EBITDAS⁽¹⁾ on a year-over-year basis; continued advancement of Cathedral's proprietary tools including the commercialization of new nDurance™ drilling motor configurations targeted for rotary steerable system applications; commercialization of the enhanced Cathedral Fusion™ Linear Pulse Measurement-While-Drilling system and commercialization of Cathedral's new generation Fusion™ Dual Telemetry Measurement-While-Drilling system.

Note:

- (1) EBITDAS is a non-Generally Accepted Accounting Principles term and is defined as earnings before share of income/loss from associate, write-down/recovery on investment in associate, finance costs, unrealized foreign exchange on intercompany balances, unrealized foreign exchange due to hyper-inflation accounting, taxes, non-recurring gains and losses on disposal of equipment, depreciation, write-down of goodwill, write-down of equipment, write-down of inventory and share-based compensation.

The Compensation Committee normally reviews and considers compensation data from a comparative group of oil and gas services companies within Cathedral's sector. For 2019, the comparison group included the following companies:

- CWC Energy Services Corp.;
- Essential Energy Services Ltd.;
- McCoy Global Inc.;
- PHX Energy Services Corp.;
- Source Energy Services Ltd.; and
- Western Energy Services Ltd.

On an as needed basis, the Compensation Committee retains the services of an independent consultant for advice, research and analysis about executive compensation. The Compensation Committee takes the information provided by the independent consultant into consideration but ultimately makes its own recommendations and decisions.

In 2019 and 2018, the Compensation Committee did not retain the services of an independent consultant for advice, research and analysis about executive compensation.

Total Compensation Components

Executive compensation at Cathedral consists of a total compensation package that has the following components:

- fixed compensation, comprised of base salary, benefits and perquisites; and
- variable compensation, comprised of bonus (which is a short-term incentive program) and stock options (which are a long-term incentive program).

These compensation components are discussed below with respect to the Compensation Committee's supervision of the remuneration of the Officers.

Base Salary

Cathedral's Officers' positions are normally compared to other similar executive officer positions in corporations making up the comparison group, and the salary data gathered is analyzed to establish appropriate salary ranges. The Compensation Committee then considers the experience, qualifications and past performance of the individual officers, along with issues of pay equity within Cathedral's executive group before either setting the initial salary for a new executive officer or awarding annual pay increases to Officers. Due to the industry downturn that commenced in 2014 and extended into 2016, effective February 1, 2015, Cathedral implemented a company-wide wage roll back program with such roll backs ranging from 5-15%. Officers were subject to a 15% roll back in 2015 ("**Roll Back #1**"). A further 9% wage roll back was implemented January 1, 2016 ("**Roll Back #2**"). With the return of more favorable industry conditions in 2017 and Cathedral's improved financial performance the wage roll backs were returned to Officers in stages as follows: 1) Roll Back #2 in its entirety effective June 1, 2017; 2) one-third of Roll Back #1 effective September 1, 2017; and 3) the final two-thirds of Roll Back #1 effective January 1,

2018. The return of wage roll backs to Officers coincided with the return of roll backs for other Cathedral staff.

In response to the projected decline in oil and natural gas drilling in North America related to the decline in oil prices experienced in March 2020, effective April 1, 2020, Cathedral implemented a company-wide wage roll back program with wage roll backs ranging from 0-25%. Officers participated in the Company's wage roll back at the top rate of 25%. Non-Officer NEOs (as defined below) will participate in the wage roll back at the rate of 20%.

Benefits and Perquisites

The benefits program and perquisites awarded to each Officer is generally consistent with the benefits program and perquisites available to other employees within Cathedral's organization. Effective December 1, 2012, Cathedral adopted a deferred profit-sharing plan (the "**DPSP**") and a group registered savings plan (the "**Group RSP**") for its Canadian employees, including NEOs (as defined below). Pursuant to the DPSP, Cathedral contributes three percent (3%) of each employee's regular earnings to the employee's DPSP on a monthly basis and such contributions vest one (1) year after the date of the contribution. Due to industry conditions, effective February 1, 2015 the DPSP was suspended. Management does not anticipate reinstating the DPSP in 2020. Additionally, pursuant to the Group RSP, Cathedral matches employee contributions to the Group RSP of up to two percent (2%) of the employee's regular earnings. In response to the projected decline in oil and natural gas drilling in North America related to the decline in oil prices experienced in March 2020, Cathedral will be suspending matching employee contributions to the Group RSP.

Bonus

The bonus for the Officers is an "at-risk" form of compensation based on the financial performance of Cathedral as well as individual performance during the year. The Officers' bonus is included within a company-wide bonus pool established by the Board, based upon recommendation by the Compensation Committee, giving consideration to the Quantitative Goals (as defined below) and taking into account the Company's financial performance.

For 2019, the Compensation Committee reviewed the performance of the President and CEO in part based on certain quantitative goals (the "**Quantitative Goals**") communicated to Cathedral earlier in the year. The Quantitative Goals related to the following:

- financial performance of Cathedral;
- balance sheet strength; and
- Common Share price performance.

The Compensation Committee also considered other quantitative and qualitative factors related to the overall performance of the CEO during the year; notably, the factors set out under the heading "Executive Compensation Analysis" above. The Compensation Committee reviewed the performance of the other Officers based on their contribution to the achievement of the Quantitative Goals, as well as other qualitative factors related to the performance of each individual Officer. As part of the bonus determination process, the Compensation Committee reviews the CEO's evaluation of both his own goals and performance and that of each of the other Officers.

The weighting of bonus compensation components is generally as follows:

- quantitative goals – 75%; and
- other qualitative factors relating to individual performance during the year – 25%.

The Compensation Committee annually holds a meeting after the annual results of Cathedral are available, to consider such matters and to consider a bonus for each Officer. The CEO's input is obtained in the form of specific bonus recommendations together with comments on the individual performance of each Officer, including himself. The Compensation Committee then delivers its bonus recommendations to the Board, where these recommendations are discussed and, if deemed acceptable, approved during a session comprised only of the independent directors held in camera.

The Compensation Committee considers bonuses to be a highly variable component of the compensation package. With respect to the Quantitative Goals portion of the bonus, no bonuses may occur if annual results are below expectations and Quantitative Goals are not achieved. But even in instances where Quantitative Goals and performance indicators are attained, the Company may still not be in a financial position to pay bonuses. In response to the industry downturn, Cathedral suspended its bonus program for 2015 and 2016. Despite improving industry conditions as well as improvement in Cathedral's financial performance and overall management performance for 2017, the CEO's recommendation to the Compensation Committee was to fully return wage roll backs to staff (including the Officers) during the year and forego bonuses. For 2018 and 2019, it was the CEO's recommendation to not pay bonuses as Quantitative Goals were not achieved.

Stock Options

The issuance of stock options to Officers is intended to encourage Common Share ownership and to motivate them to focus on a culture that will result in improving Cathedral's financial performance, the effect of which should lead to increases in the market value of Cathedral's Common Shares. Cathedral's Stock Option Plan (as defined below) is discussed under "*Stock Option Plan*" below (and is also attached to this Information Circular as Schedule "A").

Stock options vest 1/3rd twelve (12) months after date of issue, 1/3rd eighteen (18) months after date of issue and the remaining 1/3rd twenty-four (24) months after date of issue, with a three (3) year term.

The Board has delegated to the Compensation Committee the authority to determine, from time to time, the amount of stock options granted by Cathedral, as well as the grant date or dates. In the course of fulfilling such responsibility, the Compensation Committee continuously monitors the number of stock options held by the CEO and other Officers, and attempts to keep such holdings in balance whenever significant grants of stock options are made.

Compensation Risk Assessment and Mitigation

As part of the annual review of executive compensation, the Compensation Committee duly considers risk assessment and mitigation to ensure the Company's executive compensation program does not encourage management to take inappropriate or excessive risks. Based upon its most recent review, the Compensation Committee has concluded that there do not appear to be any risks arising from the compensation programs that are reasonably likely to have a material adverse effect on the Company.

The executive compensation program includes several mechanisms to ensure risk-taking behavior falls within reasonable risk tolerance levels, including:

- a balanced pay mix between fixed and variable (at-risk) and between short and long-term incentives that defer awarded value;
- having a cap on short-term incentive awards;
- establishment of performance criteria and corresponding objectives which represent a balance of performance and the quality and sustainability of such performance;
- establishment of a compensation package in the context of competitive company compensation practices (comparison group);
- explicit restrictions on hedging of equity awards by executives; and
- utilizing longer-term incentive plans for diversification and alignment with risk realization periods.

Under Cathedral's policies, neither an officer or director is permitted to purchase financial instruments, including, for greater certainty, prepaid forward variable contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in the market value of Cathedral equity securities granted as compensation or held, directly or indirectly, by any officer or director.

Director Compensation

The Compensation Committee, after referring to compensation paid to directors of other Canadian comparable companies, makes a recommendation to the Board as to appropriate compensation for the directors. The Board discusses the Compensation Committee's recommendations and provides the final approval.

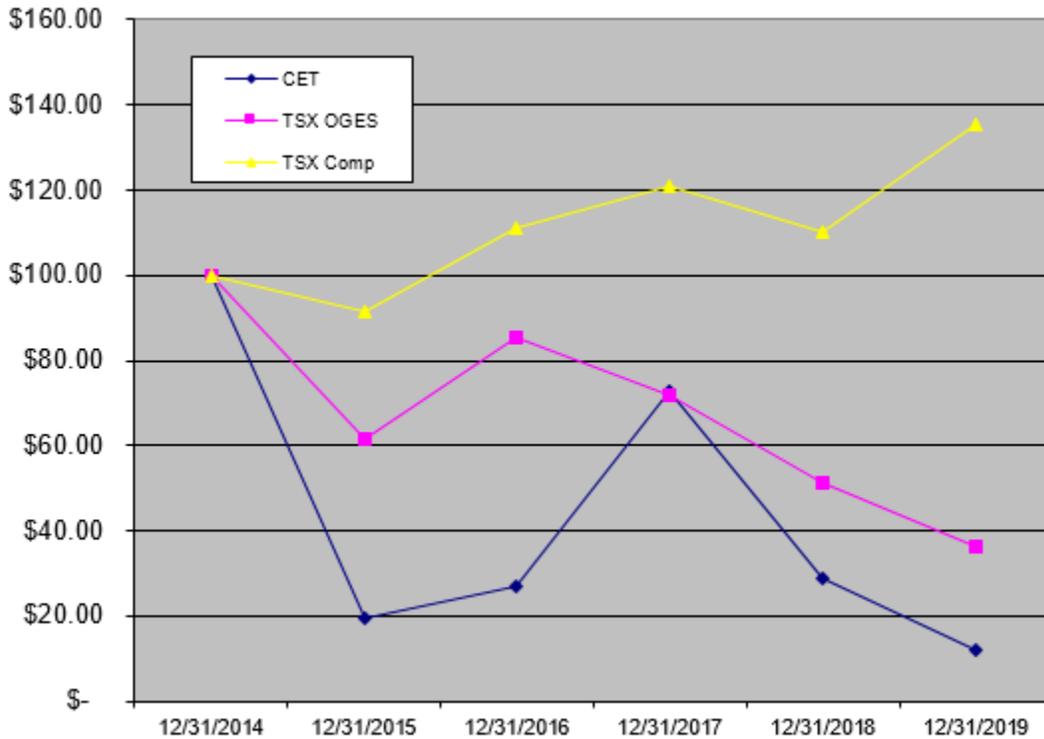

Cathedral's overall policy regarding compensation of members of the Board is structured to provide competitive levels of total compensation and to attract and retain suitable and qualified directors with commitment to Cathedral. Cathedral also looks at the compensation of the boards of other comparable Canadian public companies.

The Board compensation program includes three elements. The first is retainer fees paid in quarterly instalments over the year of service, in arrears. There are separate retainer fees for committee chairs. The second is meeting attendance fees of \$1,250 per meeting. The third is a long-term incentive, which is in the form of stock options. A description of the Stock Option Plan is noted herein. See "*Stock Option Plan*" below.

In response to the projected decline in oil and natural gas drilling in North America related to the decline in oil prices experienced in March 2020, the directors of Cathedral accepted a 25% roll back of their retainer fees effective April 1, 2020.

Performance Graph

The following graph compares the yearly percentage change in the cumulative Shareholder total return (assuming reinvestment of dividends/distributions) over the last five (5) years on the Common Shares ("**CET**") assuming a \$100 investment was made on December 31, 2014, with the cumulative total returns of the S&P/TSX Composite Index ("**TSX Comp**") and S&P/TSX Oil & Gas Equipment & Services Index ("**TSX OGES**").

While a significant portion of the compensation of Cathedral's Officers is performance based, it is difficult to correlate compensation to the trends shown in the above performance graph. As described under "*Compensation Discussion and Analysis*", base salaries are not determined on benchmarks or a specific formula but are set to be competitive with industry levels. The annual bonus plan is based on the achievement of certain Quantitative Goals for the fiscal year, which relate to, in addition to share price performance, the financial performance of Cathedral, balance sheet strength, business milestones achieved and other qualitative factors, which are not necessarily reflected in the trading prices of shares. The value of stock options granted pursuant to the Stock Option Plan is directly affected by changes in share prices.

Option-Based Awards

See "*Compensation Discussion and Analysis*" above and "*Stock Option Plan*" below for a description of Cathedral's Stock Option Plan and the process Cathedral uses to grant option-based awards.

The following sections set forth the remuneration of the CEO and the Chief Financial Officer of the Company and the executive officers that were, during the year ended December 31, 2019, the three (3) most highly compensated executive officers, other than the CEO and the Chief Financial Officer, whose total compensation exceeds \$150,000 for the last fiscal year or each individual who would qualify as such but for the fact that the individual was neither an executive officer of Cathedral, nor acting in a similar capacity, at the end of the last fiscal year (hereafter referred to as the "**Named Executive Officers**" or "**NEOs**"), as well as a description of all other applicable compensation provided to the Named Executive Officers.

Stock Option Plan

Cathedral's stock option plan was originally implemented in 2009 and was most recently amended by the Board on March 3, 2015 (the "**Stock Option Plan**"). A copy of the Stock Option Plan is attached to this Information Circular as Schedule "A". The purpose of the Stock Option Plan is to advance the interests of Cathedral or any of its subsidiaries or affiliates by encouraging the directors, officers, employees, service providers and consultants of Cathedral or any of its subsidiaries or affiliates (each, a "**Participant**") to acquire Common Shares, thereby increasing

their proprietary interest in Cathedral, encouraging them to remain associated with Cathedral or any of its subsidiaries or affiliates and furnishing them with additional incentive in their efforts on behalf of Cathedral or any of its subsidiaries or affiliates in the conducts of their affairs.

The Stock Option Plan shall be administered by the Board, or a committee thereof, who at its discretion from time to time may grant options to Participants to purchase Common Shares in accordance with the rules of the TSX, subject to the following limitations:

- (a) the maximum number of Common Shares issuable at any time pursuant to the Stock Option Plan shall be ten percent (10%) of the issued and outstanding Common Shares, and such maximum number shall increase or decrease as the number of issued and outstanding Common Shares shall increase or decrease, but in any case subject to adjustments described below;
- (b) the number of Common Shares reserved for issuance pursuant to the Stock Option Plan and any other option agreements to any one person shall not exceed five percent (5%) of the outstanding Common Shares;
- (c) the number of Common Shares issuable at any time to insiders pursuant to the Stock Option Plan and all other security-based compensation arrangements of Cathedral shall not exceed ten percent (10%) of the issued and outstanding Common Shares;
- (d) the number of Common Shares issued to insiders within a one (1) year period pursuant to the Stock Option Plan and all other security-based compensation arrangements of Cathedral shall not exceed ten percent (10%) of the issued and outstanding Common Shares;
- (e) the number of Common Shares of Cathedral reserved for issue under stock options granted to non-employee directors of Cathedral be limited to one percent (1%) of the Common Shares outstanding from time to time;
- (f) maximum annual equity grant to non-employee directors of Cathedral limited to \$100,000 per non-employee director as calculated under the Black-Scholes pricing model of stock options granted during the year; and
- (g) the number of Common Shares issuable within one (1) year pursuant to the Stock Option Plan and all other established or proposed share compensation arrangements of Cathedral, to any one insider and such insider's associates shall not exceed five percent (5%) of the outstanding Common Shares.

Where the terms "insider", "associates" and "security based compensation arrangements" are used they have the meaning ascribed to such terms under the policies of the TSX or other regulatory body having jurisdiction and "outstanding Common Shares" shall be determined pursuant to the policies of the TSX or other regulatory body having jurisdiction.

Options granted under the Stock Option Plan will have an exercise price not less than the "**Market Price**" on the date of grant. "Market Price", on any date, shall be the volume weighted average of the prices at which the Common Shares traded on the TSX for the five (5) trading days on which the Common Shares traded on the said exchange immediately preceding such date. Each option shall expire on the date set out in the respective option agreement (the "**Expiry Date**"), provided that any options granted under the Stock Option Plan shall expire not later than ten (10) years from the date of grant. If an option is to expire during a period when the Participant is prohibited by Cathedral from trading in Common Shares pursuant to its blackout policies (a "**Blackout**

Period"), or within ten (10) business days of expiry of such Blackout Period, the term of such option be extended for a period of ten (10) business days immediately following the end of the Blackout Period (the "**Blackout Extension Period**").

The Stock Option Plan provides that appropriate adjustments in the number of Common Shares issuable under the Stock Option Plan will be made upon the occurrence of certain events including the reclassification, change, subdivision, redivision, or consolidation of the issued Common Shares. The Stock Option Plan also includes provisions in the event that Cathedral amalgamates, consolidates with or merges with another corporation and the entitlement of an optionee on such occurrence.

The Board, or a committee thereof, at its sole discretion, may determine the method of vesting, if any, of Cathedral stock options granted under the Stock Option Plan. All stock options are subject to the applicable rules and regulations of all regulatory authorities having jurisdiction, including the TSX. Stock options granted under the Stock Option Plan are non-assignable, non-transferable and are subject to early termination in the event of the death of the optionee or the optionee ceasing to be a Participant.

Upon the death of an optionee, their respective stock options shall terminate on the date determined by the Board, or a committee thereof, which date shall not be later than the earlier of the Expiry Date and the date which is twelve (12) months after the date of death. If the optionee ceases to be a Participant, the stock option shall terminate on the date prescribed by the Board which shall be not be later than the earlier of the Expiry Date and the date which is twelve (12) months after the date that the optionee ceases to be a Participant.

The Board has the right to amend, to suspend, terminate or discontinue the Stock Option Plan or any option agreement, or any portion thereof, and may do so without shareholder approval, subject to those provisions of applicable law, if any, that require approval of shareholders or any governmental regulatory body. Except as expressly set forth in the Stock Option Plan, no action of the Board or Shareholders shall alter or impair the rights of an optionee, under any award previously granted to the optionee.

Under the Stock Option Plan, the Board has the power and authority to approve the following types of amendments to the Stock Option Plan or any option agreement, without further approval of the Shareholders, including:

- (a) amendments of a "housekeeping nature", including for the purpose of curing any ambiguity, inconsistency, error or omission in the Stock Option Plan;

- (e) amendments regarding the terms and conditions in which vesting of stock options occurs, including the acceleration of vesting;
- (f) amendments necessary to suspend or terminate stock options or the Stock Option Plan in accordance with applicable law; and

- (g) any other amendment, whether fundamental or otherwise, not requiring Shareholder approval under applicable law.

Approval will be required from holders of Common Shares for the following types of amendments:

- (a) amendments to the number of Common Shares issuable under the Stock Option Plan;
- (b) amendments that increase the percentage of Common Shares reserved for issuance and issuable to non-employee directors of Cathedral as set out in paragraph (e) above;
- (c) amendments that increase the maximum value of the annual equity grant to non-employee directors of Cathedral as set out in paragraph (f) above;
- (d) any amendment regarding the terms and conditions in respect of the Cathedral option price in respect of stock options granted pursuant to the Stock Option Plan;
- (e) any amendment regarding the extension of the Expiry Date as set out in the applicable stock option agreement in respect of stock options granted pursuant to the Stock Option Plan;
- (f) any amendment that permits stock options granted pursuant to the Stock Option Plan to become transferrable or assignable, other than for normal estate planning purposes;
- (g) any amendment to the amendment provisions of the Stock Option Plan as set out in this paragraph; and
- (h) amendments required to be approved by shareholders under applicable law (including, without limitation, the rules, regularities and policies of the TSX).

Under the Stock Option Plan, in the event of:

- (a) any disposition of substantially all of the assets of the Company, on the dissolution, merger, amalgamation or consolidation of the Company, with or into any other corporation, or the merger, amalgamation or consolidation of any other corporation into the Company, or
- (b) any change in control of the Company,

a stock option may be exercised in respect of any or all of the remaining optioned Common Shares.

For the purpose of the Stock Option Plan, a "change of control" is deemed to have occurred at any time when:

- (a) any person, any associate or affiliate of such person or any person acting jointly or in concert with any of them, becomes the beneficial owner, directly or indirectly, of securities of the Company carrying more than 30% of the votes entitled to vote generally on the election of directors of the Company by way of acquisition, merger, arrangement, reorganization, business combination or other transaction; or

- (b) the shareholders of the Company shall have approved an amalgamation, merger, arrangement, reorganization, business combination or other transaction involving the Company and any other person, or persons, as a result of which persons who were members of the Board immediately prior to such transaction represent less than a majority of the members of the Board of the amalgamated, merged, arranged, reorganized, combined or successor corporation following the consummation thereof.

P. Scott MacFarlane	Not independent	Mr. MacFarlane is considered to have a material relationship with Cathedral due to him being an executive officer of Cathedral.
Randy H. Pustanyk	Not independent	Mr. Pustanyk is considered to have a material relationship with Cathedral due to him being an executive officer of Cathedral.

The majority of the members of the Board are independent. Rod Maxwell is the Chairperson of the Board and an independent director. The Board has developed a written description of the Chairperson's responsibilities which is contained in the Board Charter attached to this Information Circular as Schedule "B" and includes the role of reviewing, addressing and reporting to the Board with matters of succession planning for the positions of CEO, Chief Financial Officer and Executive Vice President in respect of: (a) death or disability; and (b) long term succession planning. Mr. Maxwell is also a member of the Audit Committee. At the end of each Board meeting in 2019, the Board met without management and non-independent directors present. During 2019, the independent directors held ten (10) meetings that excluded both non-independent directors and management.

Mandate of the Board

The Board approved a mandate which includes among other duties and responsibilities: to approve and monitor the strategic, business and financial plans of Cathedral; to supervise performance and succession planning of senior officers; to assess the principal risk factors relating to the business of Cathedral; and to monitor and oversee the integrity of financial reporting and disclosure. Every member of the Board is required to act honestly and in good faith and in the best interests of Cathedral and to exercise the care, diligence and skill of a reasonably prudent person. Responsibilities not delegated to senior management or to a committee of the Board remain those of the full Board. The written mandate of the Board is contained in the Board Charter attached to this Information Circular as Schedule "B". The Board Charter includes, among other things, written descriptions of the role and responsibilities of the Chairman of the Board and the chair of each committee of the Board.

Position Descriptions

The Board develops corporate objectives which the CEO is responsible to meet through its annual budget and strategic plan review, and otherwise as required. The Compensation Committee evaluates the CEO against those objectives and reports the results of the evaluation to the Board. The Board has not developed a written job description for the CEO.

Orientation and Continuing Education of Board Members

Cathedral has no formal program for orientation of new directors; existing directors provide orientation and education to new directors on an informal basis. New Board members receive an orientation package which includes reports on operations and results, and public disclosure filings by Cathedral. In addition, management of Cathedral makes itself available for discussion with all Board members. There is no formal continuing education program for Board members; however, directors are encouraged to seek applicable educational opportunities that are available to them, as they have a fiduciary duty to Cathedral and are expected to ensure they obtain knowledge or training they consider necessary to meet their obligations.

Measures to Encourage Ethical Business Conduct

The Board has adopted a written Code of Business Conduct and Ethics (the "**Code**") that encourages and promotes a culture of ethical business conduct and a copy of such document is available on Cathedral's website (www.cathedralenergyservices.com), which provides for a mechanism to report possible violations of the Code on a confidential, anonymous basis. At each quarterly review of financial results, management provides the Board with a report on compliance

with the Company's policies, which includes the Code. Such report would identify issues and how they have been resolved or the status of the resolution to such issue if identified. In addition to the Code, the Board has adopted a "Whistleblower Policy" wherein employees of Cathedral are provided with the mechanics by which they may raise concerns regarding questionable accounting, internal accounting controls or auditing matters, or reporting of fraudulent financials information on a confidential anonymous basis. Any situation that involves, or may reasonably be inferred to involve, a conflict between a director's personal interests and the interests of Cathedral are required to be disclosed as to the nature and extent of such director's interest. A director in a conflict of interest may not, subject to certain exceptions set forth in the ABCA, vote or participate in a discussion on a matter in respect of which a director has a material interest.

Gender Equality Policy

Although Cathedral has not specifically adopted a written policy relating to the identification and nomination of certain interest groups, including women directors, the Board believes that the key to effective board membership is to source individuals that, having regard to an extensive group of factors, possess the range of necessary skills, experience, commitment and qualifications that are best suited to fostering effective leadership and decision-making at Cathedral.

The Board is confident that its recruitment practices result in the appointment of the most suitable candidates without discriminating unfairly against any potential director on the basis of race, age or gender. The Board believes the Company adopts an open and inclusive attitude in decisions on the appointment of new directors. Cathedral wishes to ensure that it seeks and retains the best people for the roles assigned regardless of race, age or gender.

The Board considers the representation of women in identifying and nominating board candidates and when making executive officer appointments. While paramount importance is given to identifying the right candidate for each role, the Board is mindful of the benefit of not only gender diversity but also of race and age diversity in the Company's leadership positions and the need to maximize the effectiveness of the Board and its decision making abilities. The Board acknowledges that importance of diversity in enriching the discussion and its corporate governance. The level of diversity in leadership roles is one of several factors used in its search process for new directors and officers.

Cathedral has not adopted targets for women on the board or in executive officer positions. The Board does not believe that quotas or strict rules necessarily result in the identification or selection of the best candidates. The Board will continue to fill roles based on the skills, experience, character and behavioural qualities that are most important to determine the value which an individual could bring to the Company.

Board Term Limits

Cathedral does not have term limits for directors. The Board believes there are benefits to be achieved by continuity and directors having in depth knowledge of each aspect of the Company's business, which necessarily takes time to develop. Fixed term limits would have the effect of forcing directors off the Board who have developed increased insight into the Company and who, therefore, can be expected to provide an increased contribution to the Board. However, the Board recognizes there is benefit to adding new perspectives to the Board, and there is value in turnover and to adding additional members to a board in order to provide fresh ideas and views. The Board believes that it is critical to have an appropriate balance between long-term directors with extensive knowledge that understand the business of the Company and the industries we operate in and new directors that add new experience and perspectives to the Board. The Board's focus is on maintaining the proper mix of skills, experience and diversity.

Nomination of Board Members

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience. In selecting new candidates, the Board considers the skills and competencies of each potential director and those required by the Board as a whole.

The Board does not have a Nominating Committee, and these functions are currently performed by the Governance Committee. However, if there is a change in the number of directors required by Cathedral, this policy will be reviewed.

Board Committees

Under the ABCA and the by-laws of Cathedral, the Board may appoint a committee of directors and delegate to such committee any of the powers of the directors, subject to the ABCA. During the year ended December 31, 2019, there were 3 (three) committees formally appointed by the Board: the Audit Committee, the Compensation Committee and the Governance Committee. The Board does not have an Executive Committee.

The Board has developed a mandate for each of the Audit Committee, the Compensation Committee and the Governance Committee which the Board reviews annually. Cathedral does not have a position description for the Chair of each Board committee. The Board Charter (refer to Schedule "B") includes the role and responsibilities of committee chairs. The Board reviews the recommendations of all its committees, and decides on whether and how to implement such recommendations.

Audit Committee

The Audit Committee is currently comprised of Messrs. Brown (Chair), Maxwell and Sarjeant. Messrs. Brown, Maxwell and Sarjeant are independent and financially literate under NI 52-110.

For additional information, including the mandate and responsibilities regarding the Audit Committee, please refer to the Audit Committee section in the Annual Information Form of Cathedral dated March 13, 2020 available on the SEDAR website at www.sedar.com.

The Audit Committee meets with Cathedral's auditors regularly, independent of management, and has direct communication channels with Cathedral's external auditors to discuss and review specified issues as appropriate.

Compensation Committee

The Compensation Committee is currently comprised of Messrs. Tremblay (Chair), Maxwell and Brown, all whom are considered to be independent under NI 58-101.

The Compensation Committee has approved a mandate which includes, among other duties and responsibilities: monitoring the performance and compensation of senior management, and reviewing and providing recommendations to the Board with respect to implementation and variation of option, compensation and incentive plans, including those applicable to the directors of Cathedral. For further information see "*Compensation Discussion and Analysis – Director Compensation*".

Governance Committee

The Governance Committee is comprised of Messrs. Sarjeant (Chair) and Brown.

The Governance Committee has approved a mandate which includes, among other duties and responsibilities: monitoring the effectiveness of the system of governance within Cathedral; assessing the effectiveness of the Board as a whole, committees of the Board and the contributions of individual members; and identifying, recommending, orienting and educating new directors.

Assessment of Directors, the Board and Board Committees

The members of the Board, through the Governance Committee, conduct an annual evaluation of performance and effectiveness of each member of the Board and of the Board and each of its committees as a whole.

MANAGEMENT CONTRACTS

Management functions of Cathedral and its subsidiaries are performed by the directors and executive officers of Cathedral.

INTEREST OF CERTAIN PERSONS AND COMPANIES IN MATTERS TO BE ACTED UPON

Neither Cathedral, nor any person who has been a director or senior officer of Cathedral, nor a member of the Board at any time since the beginning of Cathedral's last completed financial year, nor any proposed nominee for election as a director of Cathedral or a member of the Board, nor any associate or affiliate of any one of them, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting except as disclosed in this Information Circular.

INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed in this Information Circular, neither Cathedral, nor any informed person has or has had, at any time since the beginning of Cathedral's most recently completed financial year, any material interest, direct or indirect, in any transaction or proposed transaction that has materially affected or would materially affect Cathedral or any of its subsidiaries, except for any interest arising from the ownership of Common Shares where the Shareholder will receive no extra or special benefit or advantage not shared on a pro-rata basis by all Shareholders.

For the purposes of this Information Circular, an "**informed person**" means: (i) a director or officer of Cathedral; (ii) a director or executive officer of a person or company that is itself an informed person or a subsidiary of Cathedral; or (iii) any person or company who beneficially owns, directly or indirectly, or controls or directs, directly or indirectly, voting securities of Cathedral carrying more than ten percent (10%) of the voting rights attaching to all outstanding voting securities of Cathedral.

There may be situations in which the interests of Cathedral will conflict with those of Shareholders. In resolving any conflicts, decisions will be made on a basis consistent with the objectives and funds of each group of interested parties and the time limitations on investment of such funds, all consistent with the duty of the Board to deal fairly and in good faith with each such group of persons. In the event that the interests of the Board are in conflict with those of Shareholders, the members of the Board are obliged to make decisions acting in good faith, having regard to

the best interests of Shareholders and in a manner that would not contravene their fiduciary obligations to Shareholders.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Board of Cathedral, the only matters to be placed before the Meeting are those matters set forth in the accompanying Notice of Meeting, the particulars of which are set forth below.

A. Financial Statements

The consolidated financial statements of Cathedral for the year ended December 31, 2019, together with the auditor's report thereon will be placed before the Meeting. No formal action will, or is required to, be taken in respect of the financial statements at the Meeting. The consolidated financial statements of Cathedral are also available on SEDAR.

B. Election of Directors

The Board presently consists of six (6) directors, all of whom are elected annually. Each director was duly elected at Cathedral's annual and special meeting of Shareholders held on May 9, 2019 to hold office until the next annual meeting of Shareholders or until his successor is duly elected or appointed unless his office is earlier vacated in accordance with the provisions of the ABCA or Cathedral's by-laws. Each of Cathedral's current directors is standing for re-election at the Meeting. Therefore, it is proposed that the number of directors of the Company for the ensuing year be fixed at six (6). The persons named in the enclosed Form of Proxy intend to vote for the election of the nominees whose names appear in the table below. The management of Cathedral has no reason to believe that any of the said nominees will be unable to serve as a director, but, should that occur prior to the Meeting, the persons named in the enclosed Form of Proxy intend to vote for another nominee in their discretion. Shareholders executing the Form of Proxy who do not wish their Common Shares to be voted in this manner should so indicate in the appropriate place on the Form of Proxy.

Majority Voting for Directors

The Board has adopted an individual voting standard for the election of directors at the Meeting. Under the individual voting standard, the Board has adopted a policy which requires that any nominee for director who receives a greater number of votes "withheld" than votes "for" his or her election as a director shall submit his or her resignation to the Governance Committee of the Board for consideration promptly following the meeting. This policy applies only to uncontested elections, meaning elections where the number of nominees for directors is equal to the number of directors to be elected. The Governance Committee shall consider the resignation and shall provide a recommendation to the Board. The Board will consider the recommendation of the Governance Committee and determine whether to accept it within ninety (90) days of the applicable meeting and a news release will be issued by Cathedral announcing the Board's determination and fully stating the reasons for rejecting the resignation, if applicable. A director who tenders his or her resignation will not participate in any meetings to consider whether the resignation shall be accepted. Resignations shall be effective when accepted by the Board and resignation offers are expected to be accepted by the Board, except in situations where extenuating circumstances would warrant the applicable director to continue to serve as a member of the Board. The Board may fill any vacancy created by any such resignation or determine to leave the resulting vacancy unfilled.

Shareholders should note that, as a result of the majority voting policy, a "withhold" vote is effectively the same as a vote against a director nominee in an uncontested election.

The following table sets out the names of persons proposed to be nominated by management for election as a director; all positions and offices in Cathedral held by them; their current principal occupation; the periods during which they have served as a director; and the number of Common Shares beneficially owned, directly or indirectly, by them or over which control or direction is exercised, as of the date hereof. Each director elected will hold office until the next annual meeting of Cathedral, unless his office is earlier vacated in accordance with the by-laws of Cathedral or becomes disqualified to act as a director.

To the knowledge of management, no proposed director of Cathedral is, as of the date of this Information Circular, or has been, within ten (10) years before the date hereof, a director, chief executive officer or chief financial officer of any company (including Cathedral) that was subject

to a cease trade order, an order similar to a cease trade order or an order that denied the company access to any exemptions under securities legislation, that was in effect for a period of more than thirty (30) consecutive days, that was issued: (i) while that person was acting in such capacity; or (ii) after that person ceased to act in such capacity but which resulted from an event that occurred while that person was acting in such capacity.

Other than as set forth below, to the knowledge of management, no proposed director of Cathedral is, as of the date of this Information Circular, or has been, within ten (10) years before the date hereof, a director or executive officer of any company (including Cathedral) that, while such person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Dale E. Tremblay was a director of GASFRAC Energy Services Inc. ("**GASFRAC**") between May 27, 2014 and February 13, 2015. Pursuant to court supervised creditor protection proceedings commenced under the *Companies' Creditors Arrangement Act* ("**CCAA**"), GASFRAC sold most of its operating assets and intellectual property to a third party service industry competitor on April 7, 2015 and subsequently then completed a court approved CCAA Plan of Compromise and Arrangement pursuant to which a third party service industry competitor acquired 100% equity ownership of GASFRAC as an operating entity on July 7, 2015. Mr. Tremblay was also a director of ATK Oilfield Transportation Inc. ("**ATK**"), a private oilfield services company, until April 1, 2019. Mr. Rod Maxwell was a director of Iona Energy Inc. ("**Iona**"), a public oil and gas company that held assets in the United Kingdom's North Sea, until November 24, 2015, being the date on which Iona announced that it was highly likely that its wholly owned United Kingdom subsidiaries, Iona Energy (UK) Company plc ("**Iona UK**") and Iona UK Huntington Limited ("**Iona Huntington**") would commence insolvency procedures. All of the board of directors and officers of Iona, including Mr. Maxwell, resigned effective November 24, 2015. On January 6, 2016, representatives of FTI Consulting LLP were appointed as joint administrators of Iona UK and Iona Huntington.

Mr. Ian Brown was a director of Lightstream Resources Ltd., a public oil and gas company that commenced proceedings under the CCAA on September 26, 2016. SCHEDULE "A"

CATHEDRAL ENERGY SERVICES LTD.

STOCK OPTION PLAN

1. Purpose

The purpose of the Stock Option Plan (the "**Plan**") of Cathedral Energy Services Ltd., a body corporate amalgamated under the *Business Corporations Act* (Alberta) (the "**Corporation**"), is to advance the interests of the Corporation or any of its subsidiaries or affiliates by encouraging the directors, officers, employees, service providers and consultants of the Corporation or any of its subsidiaries or affiliates to acquire common shares in the Corporation, thereby increasing their proprietary interest in the Corporation, encouraging them to remain associates with the Corporation or any of its subsidiaries or affiliates and furnishing them with additional incentive in their efforts on behalf of the Corporation or any of its subsidiaries or affiliates in the conducts of their affairs.

2. Administration and Granting of Options

The Plan shall be administered by the board of directors of the Corporation or by a special committee of directors appointed from time to time by the board of directors of the Corporation (such committee or, if no such committee is appointed, the board of directors of the Corporation is hereinafter referred to as the "**Committee**") pursuant to rules of procedure fixed by the board of directors.

The Committee may from time to time designate directors, officers, employees, service providers and consultants of the Corporation or any of its subsidiaries or affiliates (the "**Participants**") to whom options to purchase common shares of the Corporation may be granted and the number of common shares to be optioned to each Participant, provided that the number of common shares to be optioned shall not exceed the number provided in Sections 3 and 4 hereof. Each holder of Options (as herein defined) shall enter into an option agreement in such form proscribed by the Committee from time to time (the "**Option Agreement**").

3. Shares Subject to Plan

Subject to adjustment as provided in Section 16 hereof, the shares to be offered under the Plan shall consist of the authorized but unissued common shares of the Corporation. The aggregate number of common shares of the Corporation (the "**Common Shares**") to be delivered upon the exercise of all options granted under the Plan (the "**Options**") shall not exceed the maximum number of shares permitted under the rules of any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction. If any Option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unpurchased Common Shares subject thereto shall again be available for the purpose of this Plan. On any exercise of Options, Common Shares in respect of which the Options are exercised shall not reduce the number of Common Shares available for reservation and issuance under new Options that may be granted under the Plan.

4. Number of Optioned Shares

The number of Common Shares subject to an Option to any one Participant shall be determined by the Committee, but no Participant, upon the Corporation becoming listed on any stock exchange, shall be granted an Option which exceeds the maximum number of shares permitted by any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction.

5. Vesting

The Committee may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, or that no vesting restriction shall exist or continue to exist.

6. Maintenance of Sufficient Capital

The Corporation shall at all times during the term of the Plan reserve and keep available such number of Common Shares as will be sufficient to satisfy the requirements of the Plan.

7. Participation

The Committee shall determine to whom Options shall be granted, the terms and provisions of the respective Option Agreements, the time or times at which such Option shall be granted, and the number of Common Shares to be subject to each Option. A Participant who has been granted an Option ("**Optionee**") may, if he is otherwise eligible, and if permitted by any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction, be granted an additional Option or Options if the Committee shall so determine.

8. Exercise Price

The exercise price of the Common Shares covered by each Option shall be determined by the Committee, provided that such price shall not be less than the market price of the Common Shares on the date of grant. "**Market Price**", on any date, shall be the volume weighted average of the prices at which the Common Shares traded on the Toronto Stock Exchange (the "**TSX**") (as reported by the TSX) for the five (5) trading days on which the Common Shares traded on the said exchange immediately preceding such date or, if the Common Shares are not listed on the TSX, on such other stock exchange as the Committee may designate, and otherwise, shall be as determined by the Committee.

9. Duration of Option

Each Option and all rights thereunder shall be expressed to expire on the date set out in the Option Agreements (the "**Expiry Date**") and shall be subject to earlier termination as provided in Sections 12 and 13 hereof, provided that any Options granted pursuant to the Plan shall expire not later than ten (10) years after the date of grant. However, if an Option is to expire during a period when the Participant is prohibited by the Corporation from trading in Common Shares of the Corporation pursuant to its blackout policies (a "**Blackout Period**"), or within ten (10) business days of expiry of such Blackout Period, the term of such Option be extended for a period of ten (10) business days immediately following the end of the Blackout Period ("**Blackout Extension Period**").

10. Limitations to the Plan

Notwithstanding any other provision of the Plan:

- (a) the maximum number of Common Shares issuable at any time pursuant to the Plan shall be 10% of the issued and outstanding Common Shares, and such maximum number shall increase or decrease as the number of issued and outstanding Common Shares shall increase or decrease, but in any case, subject to adjustments pursuant to Section 16 hereof;

- (b) the number of Common Shares reserved for issuance pursuant to the Plan and any other Option Agreements to any one person shall not exceed five percent (5%) of the outstanding Common Shares;
- (c) the number of Common Shares issuable to insiders at any time pursuant to the Plan and all other security based compensation arrangements of the Corporation shall not exceed ten percent (10%) of the issued and outstanding Common Shares;
- (d) the number of Common Shares reserved for issuance and issuable to non-employee directors of the Corporation at any time pursuant to the Plan and all other security based compensation arrangements of the Corporation shall not exceed one percent (1%) of the issued and outstanding Common Shares;
- (e) the number of Common Shares issued to insiders within a one (1) year period pursuant to the Plan and all other security based compensation arrangements of the Corporation shall not exceed ten percent (10%) of the issued and outstanding Common Shares;
- (f) the number of Common Shares issuable within one (1) year pursuant to the Plan and all other established or proposed security compensation arrangements of the Corporation, to any one insider and such insider's associates shall not exceed five percent (5%) of the outstanding Common Shares; and
- (g) the maximum annual equity grant to non-employee directors of the Corporation shall be limited to \$100,000 per non-employee director as calculated under the Black-Scholes pricing model of Options granted during the year;

where "insider", "associates" and "security based compensation arrangements" shall have the meaning ascribed to such terms under the policies of the TSX or other regulatory body having jurisdiction and "outstanding Common Shares" shall be determined pursuant to the policies of the TSX or other regulatory body having jurisdiction.

11. Option Period, Consideration and Payment

- (a) The Option period shall be a period of time fixed by the Committee, not to exceed the maximum period permitted by any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction, provided that the Option period shall be reduced with respect to any Option as provided in Sections 12 and 13 hereof on cessation as a director, officer, employee, service provider or consultant of the Corporation or any of its subsidiaries or affiliates or death of the Participant.
- (b) Except as set forth in Sections 11(c), 12 and 13 hereof, no Option may be exercised unless the Participant is at the time of such exercise a director, officer, employee, service provider or consultant of the Corporation or any of its subsidiaries or affiliates.
- (c) Notwithstanding any other provision to the contrary, an Option granted to a consultant or service provider in connection with specific services provided or to be provided by that consultant or service provider shall be exercised only after the date of completion of such service and prior to 30 days following the date of completion of such service.
- (d) The exercise of any Option will be contingent upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of shares with respect to which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such shares with respect to which the Option is exercised.

12. Ceasing To Be a Director, Officer, Employee, Service Provider or Consultant

If an Optionee ceases to be a Participant for any reason other than death of the Participant, the Option granted to the Participant shall terminate on the date prescribed by the Committee which shall not be later than the earlier of the Expiry Date and the date which is twelve (12) months after the date that the Optionee ceases to be a Participant.

Options shall not be affected by any change of employment or position so long as the Participant continues to be a Participant.

Nothing contained in the Plan nor in any Option granted pursuant to the Plan shall confer upon any Participant any right with respect to continuance as a director, officer, employee, service provider or consultant of the Corporation or any of its subsidiaries or affiliates.

13. Death of Participant

In the event of death of a Optionee, the Option previously granted to him shall be exercisable on the date determined by the Committee which shall not be later than the earlier of the Expiry Date and the date this is twelve (12) months after the date of death.

14. Rights of Optionee

No person entitled to exercise an Option shall have any of the rights or privileges of a shareholder of the Corporation in respect of any shares issuable upon exercise of such Option until certificates representing such shares shall have been issued and delivered.

15. Proceeds from Sale of Shares

The proceeds from the issuance of shares upon the exercise of Options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Corporation may determine.

16. Adjustments

In the event of:

- (i) any disposition of substantially all of the assets of the Corporation, on the dissolution, merger, amalgamation or consolidation of the Corporation, with or into any other corporation, or the merger, amalgamation or consolidation of any other corporation into the Corporation, or
- (ii) any change in control of the Corporation,

an Option may be exercised in respect of any or all of the remaining Optioned Common Shares. For this purpose, "change of control" shall be deemed to have occurred at any time when:

- (A) any person, any associate or affiliate of such person or any person acting jointly or in concert with any of them, becomes the beneficial owner, directly or indirectly, of securities of the Corporation carrying more than 30% of the votes entitled to vote generally on the election of directors of the Corporation by way of acquisition, merger, arrangement, reorganization, business combination or other transaction; or
- (B) the shareholders of the Corporation shall have approved an amalgamation, merger, arrangement, reorganization, business combination or other transaction

involving the Corporation and any other person, or persons, as a result of which persons who were members of the Board of Directors immediately prior to such transaction represent less than a majority of the members of the Board of Directors of the amalgamated, merged, arranged, reorganized, combined or successor corporation following the consummation thereof.

In the event of any reclassification, change, subdivision or redivision of the issued Common Shares at any time prior to the Expiry Date into a greater number of Common Shares, an Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which an Optionee was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which the Optionee would have been entitled to receive as a result of such reclassification, change, subdivision, or redivision if, on the effective date thereof, the Optionee had been the registered holder of the number of Common Shares to which the Optionee was theretofore entitled upon exercise of the Option.

In the event of any reclassification, change or consolidation in the Common Shares at any time prior to the Expiry Date into a lesser number of Common Shares, an Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which the Optionee was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which the Optionee would have been entitled to receive as a result of such reclassification, change or consolidation if, on the effective date thereof, the Optionee had been the registered holder of the number of Common Shares to which the Optionee was theretofore entitled upon exercise of the Option.

In the event that the Corporation shall at any time prior to the Expiry Date of an Option, amalgamate, consolidate with or merge into another corporation or trust, an Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which the Optionee was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which the Optionee would have been entitled to receive as a result of such amalgamation, consolidation or merger if, on the effective date thereof, the Optionee had been the registered holder of the number of Common Shares to which the Optionee was theretofore entitled upon exercise of the Option, and the Corporation will take steps in connection with such amalgamation, consolidation or merger as may be necessary to ensure that the provisions of the Option Agreement shall thereafter be applicable, as near as reasonably may be possible in relation to any securities or properties thereafter delivered upon the exercise of the Option. A sale of all or substantially all of the assets of the Corporation for a consideration (apart from the assumption of obligations) consisting primarily of securities, shall be deemed a consolidation, amalgamation or merger for the foregoing purposes.

For greater certainty, an Optionee shall pay for the number of Common Shares, other securities or property as aforesaid, the amount the Optionee would have paid if the Optionee had exercised the Option prior to the effective date of such reclassification, change, subdivision, redivision, consolidation, amalgamation or merger, as the case may be.

In the event that the Corporation shall fix a record date for the distribution to holders or substantially all holders of Common Shares of rights to purchase Common Shares exercisable for a period expiring not more than 45 days after such record date at a price less than 95% of the Market Price on such record date, the Exercise Price shall be adjusted immediately after such record date so that it shall be equal to the price determined by multiplying the Exercise Price in effect on such record date by a fraction, of which the numerator shall be the total number of Common Shares outstanding on such record date plus the number arrived at by dividing the aggregate price of the total number of additional Common Shares offered for subscription pursuant to the exercise of such rights by such Market Price, and of which the denominator shall be the total number of Common Shares on such record date plus the total number of additional

Common Shares offered for subscription pursuant to the exercise of such rights. To the extent that any rights are not issued or any such rights are not exercised prior to the expiration thereof, the Exercise Price shall then be readjusted to the Exercise Price which would then be in effect if such record date had not been fixed or to the Exercise Price which would then be in effect based upon the number and aggregate price of Common Shares actually issued upon exercise of such rights. The Corporation shall deliver at the time of any exercise of the Option thereafter that number of Common Shares which the Optionee would have been entitled to receive pursuant to the Option granted notwithstanding the adjustment in the Exercise Price. For greater certainty, this paragraph does not apply to any exercise of the Option granted prior to the establishment of the record date for the issuance of such rights. For the purposes of this paragraph, "**Market Price**" shall mean the weighted average price per share for the Common Shares for the 20 consecutive trading days ending on the fifth trading day before such date on the TSX.

Adjustments shall be made successively whenever any event referred to in this section shall occur. Upon any adjustment of the number of Common Shares which may be purchased hereunder, the Corporation shall give written notice to the Optionee, giving particulars of such adjustment. In the event the Corporation agrees to sell all or substantially all of the assets of the Corporation for cash, it shall give the Optionee at least thirty (30) days notice prior to the date of finalization of such proposed sale, determined as of the date of notice. In the event of the liquidation, dissolution or winding up of the affairs of the Corporation, the right to exercise an Option shall terminate ten (10) days before the earliest day fixed for the payment of any distribution amount on the Common Shares, provided at least thirty (30) days notice of such payment date shall be given to the Optionee.

17. Transferability

All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein. During the lifetime of a Participant, any such benefits, rights and Options may only be exercised by the Participant.

18. Option Grants under Prior Plans

In the case of options to purchase trust units ("**Trust Options**") of Cathedral Energy Services Income Trust (the "**Trust**") granted under the unit option plan of the Trust (the "**Trust Option Plan**"), that existed prior to the plan of arrangement effective December 18, 2009, the individuals that were granted Trust Options under the Trust Option Plan will continue to have their Trust Options governed by the terms of their Trust Option agreements; however, the exercise of the Trust Options will be assumed by this Plan, with the appropriate adjustments for the exercise into Common Shares of the Corporation.

19. Amendment and Termination

Subject to the exceptions set out below, the Board of Directors of the Corporation may at any time or from time to time, in its sole discretion amend, suspend or terminate the Plan or any Option Agreement, or any portion thereof, and may do so without shareholder approval, subject to those provisions of applicable law, if any, that require the approval of shareholders or any governmental regulatory body. - (f) any amendment that permits Options granted pursuant to the Plan to become transferrable or assignable, other than for normal estate planning purposes;
- (g) any amendment to the amendment provisions of the Plan as set out in this Section 19; and
- (h) amendments required to be approved by shareholders under applicable law (including, without limitation, the rules, regulations and policies of the TSX).

Except as expressly set forth herein, no action of the Committee, the Board of Directors of the Corporation or shareholders shall alter or impair the rights of an Optionee, under any award previously granted to the Optionee.

20. Necessary Approvals

The ability of a Participant to exercise Options and the obligation of the Corporation to issue and deliver shares in accordance with the Plan is subject to any approvals which may be required from the shareholders of the Corporation and any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. If any shares cannot be issued to any Participant for whatever reason, the obligation of the Corporation to issue such shares shall terminate and any Option exercise price paid to the Corporation shall be returned to the Participant.
